

Dear Primary 2/3,

I'm back in Africa now with my pal Blessu. I had a lovely day in the end yesterday, although it was a bit scary at first! I've been telling Blessu all about you because Ms Young let me read your wonderful letters - what lovely children you are, you all want to be my friend!

Maybe I'll be brought back to Andover to visit you some day to answer more of your funny questions. Until then, be good and work hard.

Your friend,

Lumpy
