

# Book Discovery Guide

Issue 2: April 2021

# How to use this PowerPoint

This PowerPoint version of the Book Discovery Guide (Issue 2, April 2021) allows you to share the guide with your colleagues.

Each slide will contain the covers and, where applicable, age ratings of the books.

**Click “Notes” at the bottom of your window to find the blurbs for each book.**

# What is Book Discovery Guide?

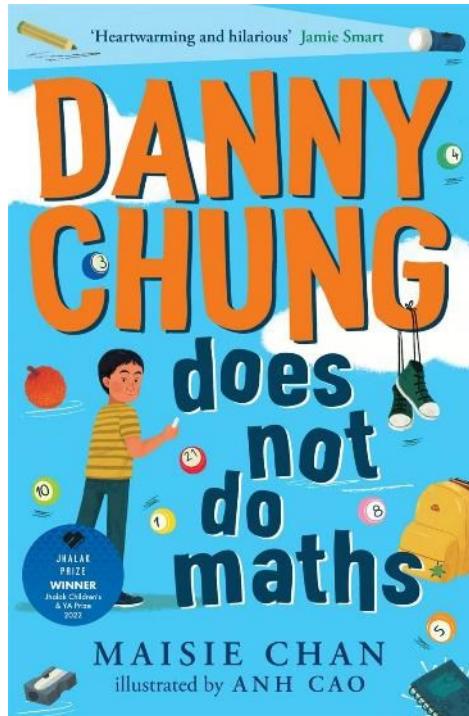

Book Discovery Guide is our guide to help you find high-quality contemporary books for pupils of all ages and reading levels.

Each issue contains our top picks across themes, staff picks, guest recommendations and responses to frequently asked questions.

# The importance of contemporary books in your classroom:

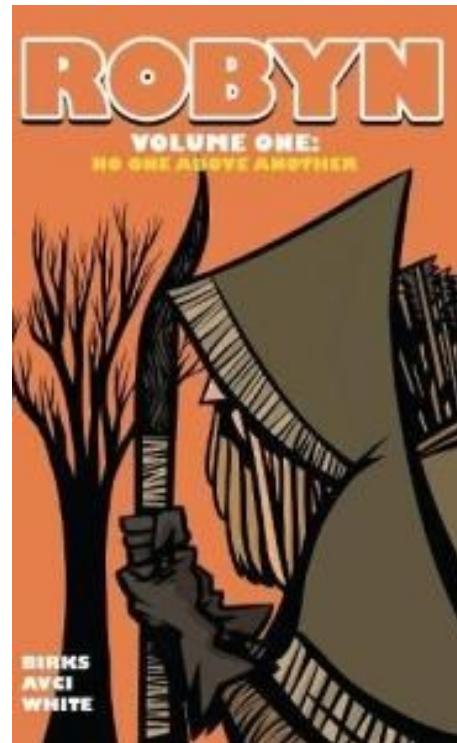

- More representative, which allows pupils to see themselves on page
- Read about a wide range of experiences relevant to today (for example, climate change, refugee crisis, technology and the Internet)
- Language is up-to-date, making it easier to follow
