

What should Carly do?

What should Carly do?

(page 53)

Discussion around:

- What should Carly do and why? Choose the ending you prefer and discuss what your reasons were depending on the choices she makes
- Discuss 'living within your means'
- Filling in forms
- Discuss being aware of 'what it says in the small print'
- And 'feeling the pressure to sign up for things on the spot.'
- Discuss 'saving up for things and waiting'

Further activities:

Consequences:

- Carry out an activity where your group collectively chooses an ending for Carly and writes a piece about what happens to her in 6 months' time. You can also use the resource 'comic life' as an approach for your group to continue the story.
- Provide copies of the **budgeting** sheet for your group to create a budget for Carly.
- Finish by creating a **goal setting** activity for Carly
- Refer to the [Legal Aid Agency](#) website for further information about support and legal advice around debt and provide information to your group, as appropriate
